

# BISTROT MAURICE

GOOD FOOD - GOOD WINE - COOL FRIENDS

Here, you will eat (almost) only French and seasonal products, delivered every day by local producers. Our wines are mainly organic or biodynamic and our alcohols are French or made by French people abroad. We select them with sense and greed, because eating well and drinking well is the beginning of happiness.

Do not hesitate to ask for the dishes of the day and the wines of the moment that are not on the menu. We always have new recipes and nice surprises for you to discover.

And as we work with seasonal and local products, sometimes it can happen that we miss certain products. Do not panic, our chef never lacks creativity to adapt. And we are counting on your understanding of our team if dishes were to be missing or to evolve.

We wish you to leave with a full stomach and a happy heart.
